### 'YOUR RESPONSIBILITY CODE'

Skiing and snowboarding can be enjoyed in many ways. At ski areas you may see people using alpine, snowboard, telemark, cross-country, or other specialized ski equipment, such as that used by disabled or other skiers. Regardless of how you decide to enjoy the slopes, always show courtesy to others and be aware that there are elements of risk in skiing that common sense and personal awareness can help reduce. Observe the code listed below and share with other skiers the responsibility for a great skiing experience.

1. Always stay in control, and be able to stop or avoid other people and objects.
2. People ahead of you have the right of way; it is your responsibility to avoid them.
3. You must not stop where you obstruct a trail, or are not visible from above.
4. Whenever starting downhill or merging into a trail, look uphill and yield to others.
5. Always use devices to help prevent runaway equipment.
6. Observe all posted signs and warnings. Keep off closed trails and out of closed areas.
7. Prior to using any lift, you must have the knowledge and ability to load, ride and unload safely.

### KNOW THE CODE. IT'S YOUR RESPONSIBILITY.

**WARNING:** All forms of alpine activities such as skiing, and snowboarding including the use of lifts, are hazardous. Falls and injuries are a common occurrence therefore requiring the deliberate and conscience control of your physical body through proper use of alpine equipment in relation to ever-changing variables and dangers. Safety is directly affected by your judgment in the severe elements of rough, high mountain forest terrain. Participate in alpine activities only within your ability level.

**INHERENT RISKS:** Be alert to continually changing weather, visibility and surface conditions and other inherent risks including, but not limited to existing and changing snow conditions, such as ice, hardpack, powder, packed powder, slush, granular, corn, crust, cut-up and machine-made snow; surface or subsurface conditions, such as dirt, grass, bare spots, forest growth, rocks, stumps, trees and other natural objects and collisions with or falls resulting from such natural objects; lift towers and components thereof; lights, signs, posts, fences, mazes or enclosures; hydrants, water or air pipes (all the foregoing whether above or below the snow surface), snowmaking or snow grooming equipment; marked or lighted trail maintenance vehicles or snowmobiles; other man-made structures or objects and their components, and collisions with or falls resulting from such man-made objects; variations in steepness of terrain, whether natural or as a result of slope design; snowmaking or snow grooming operations, including but not limited to ski jumps, roads and catwalks or other man-made or natural terrain modifications and features such as those found in terrain parks; the presence of and collisions with others; and the failure of others to participate in alpine activities safely, in control or within their own ability. I agree that these are both obvious and necessary to these alpine activities.

As a condition of being permitted to use the ski area premises as a season pass holder, I hereby Promise Not to Sue whichever ski area this pass is used including Mount Snow Ltd., Crotched Mountain, Attitash, Jack Frost Ski Resort, Big Boulder Ski Resort (or any other ski area where this pass is valid), and Peak Resorts Inc., their owners, affiliates, employees and agents (hereinafter the Ski Area), as I freely and voluntarily accept all risks of injury, death or property damage occurring thereon from the inherent risks such as those listed above or those that can reasonably be inferred therefrom.

**RELEASE/INDEMNIFICATION:** I further agree to **Release, Hold Harmless and Indemnify** the Ski Area from any and all liability for personal injury including death, and property damage from any alleged negligence in the operation, maintenance or design of the Ski Area and any other inherent risks of these alpine activities, such as those listed above, and from my participation in alpine activities at the Ski Area. **I accept for myself the full responsibility for any and all such damage or injury of any kind that may result from my actions.**

I agree that if any portion of this agreement is determined to be unenforceable by a court of law all other parts shall remain in full force and effect and that the above provisions shall be binding upon my heirs and assigns. I understand and agree that this document may be used by the Ski Area to defend any claim I may bring for injuries sustained as a result of my participation in and caused by the inherent risks of alpine activities.

I agree (1) to visibly display the season pass when boarding lifts; (2) to present the season pass to any authorized representative or management upon request; (3) to refrain from misconduct or reckless skiing or riding; and (4) to be the sole user of my season pass and to not allow or transfer use to another person, acknowledging that the season pass may be revoked without refund.
